

LAKE PARK HIGH SCHOOL DISTRICT 108
590 S. MEDINAH ROAD
ROSELLE, IL 60172
ACKNOWLEDGMENT AND AGREEMENT REGARDING
LOAN OF DISTRICT-OWNED TECHNOLOGY DEVICE TO STUDENT

District-owned technology devices are the legal property of the District and are provided to students for use both on and off school grounds in order to enhance, enrich, and facilitate teaching and learning. Technology devices are to be used for school-related assignments, curriculum enhancement, research, communications, and other school-related purposes. Internet activities conducted using District-owned technology devices must be consistent with this purpose. Because the technology device is a District-provided benefit, there can be no expectation of privacy with respect to a student's use of the technology device. The District reserves the right to, without notice or consent, access, monitor, and review a student's use of the technology device.

As a student to whom a District-owned technology device has been loaned, I agree to the following terms and conditions:

1. I understand that the technology device and any accessories provided with it remain the property of the District at all times and are being provided to me for school-related purposes.
2. I acknowledge that I received the technology device in good working condition.
3. I understand that I will be personally responsible for any and all repair or replacement costs associated with any damage caused by my negligence or intentional misuse of the technology device.
4. I agree to treat the technology device with due care and keep the technology device in good working condition, ensure that it is properly secured and stored when transported and/or not in use, not leave the technology device unattended or unsecured at any time, and keep food, drink, and other harmful materials away from the technology device.
5. I agree to back up my assignments and other school work on a regular basis. I understand that the District will not accept responsibility for the loss of any of my school work in the event that the technology device malfunctions.
6. I agree not to alter the technology device in any way or install any software or hardware without prior approval from the District's I.T. staff. I understand that the District's I.T. staff reserves the

right to collect the technology device at any time as necessary to perform periodic upgrades, service, and maintenance.

7. I agree to promptly notify the District's I.T. staff if any problems occur with the technology device, so that they may assess the problem and make any necessary repairs. Under no circumstances will I, or anyone other than District's I.T. staff, attempt to repair the technology device.

8. I agree to adhere to and abide by all District policies in using the technology device, including but not limited to, the District's Acceptable Use Guidelines for Students.

9. I understand that being loaned an technology device is a privilege, not a right, and the District reserves the right to revoke that privilege at any time and require me to return the technology device.

10. I understand that inappropriate use of the technology device may result in discipline.

11. I agree to immediately return the technology device to the District at the end of the check-out period.
